## Moodboard Workspace

The screenshot shows a web-based application for moodboarding. At the top, there is a navigation bar with three tabs: "Moodboard" (which is active and highlighted in blue), "File Organizer", and "Design Notes". Below the navigation bar is a section titled "Moodboard Workspace" with a dashed border. Inside this workspace, there is a central area with the placeholder text "Drag & Drop Design Assets Here". In the top right corner of the workspace area, there is a button labeled "Upload Asset" with an upward arrow icon. At the bottom of the workspace, there are four small thumbnail images labeled "sample1", "sample2", "sample3", and "sample4".

## File Organizer

The screenshot shows a web-based application for organizing files. At the top, there is a navigation bar with three tabs: "Moodboard" (highlighted in blue), "File Organizer" (which is active and highlighted in blue), and "Design Notes". Below the navigation bar is a section titled "File Organizer". Inside this section, there is a search bar with the placeholder text "Search files...". Below the search bar are three categories: "Drawings", "Images", and "Templates", each represented by a button with a corresponding icon.

## Design notes

The screenshot shows a web-based application for managing design notes. At the top, there is a navigation bar with three tabs: "Moodboard" (highlighted in blue), "File Organizer", and "Design Notes" (which is active and highlighted in blue). Below the navigation bar is a section titled "Design Notes & Annotations". Inside this section, there is a note card for "Sophie" with the instruction "Update the floor plan". Below this is a large text input field with the placeholder text "Leave a note or annotation here...". At the bottom of the note card, there is a text input field for tagging teammates with the placeholder text "Tag a teammate (e.g. @Arjun)". At the very bottom of the interface is a dark blue button labeled "Submit Note".
